## IMPORTANT!

*Read Carefully and Govern Yourself Accordingly*

A SPECIAL SESSION of the Temple will be opened in BANQUET HALL at the SOUTH STATION, one flight up, Summer Street side, on **SATURDAY, AUGUST 23**, at **9 O'CLOCK IN THE FORENOON**, for the purpose of conferring the Order upon such applicants as shall be proposed and pass a clear ballot. This will be done by Communication only.

Nobles who have applicants to propose will confer a favor by handing in the applications, accompanied by the fee of \$50, at as early a date as possible. Remember, no applications will be received unless accompanied by the fee.

If you have no blanks in your possession, the Recorder will gladly supply you with all you want.

**ATTENTION, NOBLES!** I earnestly hope to make this one of the most enjoyable of the many "Outings" that have been given by Aleppo Temple, and your Officers will do every-

thing in their power for your enjoyment and pleasure, and to that end they ask your hearty and cordial coöperation.

If we all work together in harmony and accord, mutual pleasure, good fellowship, and a thoroughly grand time will certainly result. Kindly bear in mind that no matter how honestly and carefully you may plan, there will be some mistakes made, or something we might wish was a little different. Be generous to excuse any shortcomings, or anything that is not just as you would have it.

Be ready to help every other Noble enjoy the day. Have a smile and a hearty handshake for every one, particularly the newcomer.

Let your motto be Fun and Sport without coarseness; Laughter and Jest without a sting for the other fellow; Conviviality without undue excess, and Good Nature under all circumstances.

Ever remembering that our membership is drawn from an Order the fair fame of which is dear and precious to us, as it is to those Brethren who have never "Crossed the Hot Sands," or united with us in the Ancient Arabic Order, and that finally, as Mystic Shriners, we aim to do nothing that can be criticised by any generous or fair-minded person.

Nobles, kindly give me your help and assistance to make this a grand and successful Outing.

**Remember the Creed** "THAT while the Shrine is not a Masonic body, it is no place for rudeness, coarseness, vulgarity, or for deportment not in harmony with your high public standing as a Mason. That the Shrine is an order established for serious purposes. That the Shrine stands for Justice, Charity, Benevolence, Virtue, mingled with mirth, fun, and frolic in the broad platform of common brotherhood of all mankind. That we can be 'boys again just for the day,' spread good cheer, forget cares, and have a lot of rollicking fun without losing our sense of responsibility as men of good standing and dignity. That while we are not our brother's keeper, each Noble has the reputation of the Mystic Shrine in his keeping, and that by your works shall men know you." — SELAH.
